Soham Town Council

Dear Resident

Soham Town Council took the proactive step in December 2019 and working with Anglia Revenue to ensure that an information flier was produced highlighting why it had become necessary for the council to raise its rates significantly in the upcoming financial year commencing 1st April 2020.

Whilst information/booklets from other Higher Tier Authorities and Statutory Bodies has been included in the rate demands received recently by all CB7 (Soham) homeowners disappointingly Soham Town Council's information has been omitted.

This mistake by Anglia Revenue will be rectified in the next week but in the meantime please see attached copy of the information that should have been provided to residents.
